Joe –

Off-the-record, you are invited to attend a pen-and-pad with Acting Administrator Wheeler regarding the announcement of a new pathway for RFS quotas using sorghum oil. This policy announcement will have big impacts on Nebraska.

WHAT: Sorghum Oil Announcement
WHERE: Administrator Wheeler's Office
EPA HQ (1200 Pennsylvania Ave NW)
WHEN: Tuesday, July 24
4:30 PM

Please come to the EPA South Building entrance no later than 4:15 pm. The doors located are located above the Federal Triangle metro (not Penn Ave or Constitution Ave). After the pen-and-pad, you will be invited to attend the open press event in the Rachel Carson Green room at 5:00 pm where the official announcement will be made with guests.

Please reply to let me know if you are attending/any other questions.
