

TO: NEW CLASSIFIER OPERATORS

FROM: CARLA LANE *Carla Lane*

DATE: 7/7/92

SUBJECT: INTRODUCTION

As a classifier operator you will be expected to perform your duties in the safest manner possible, suggest opportunities for improvement, report any spills to the pad or environment, and be environmentally conscious of your surroundings. The objective of this training is to give you the knowledge and environmental background required to operate the classifiers. the following schedule also includes the tasks you will need to learn in order to perform this job adequately.

Several improvements have already been made to make operation of the classifiers safer. However, it is common knowledge that there is still a long way to go. Therefore, an open door policy is extended for any suggestions that would make you more comfortable with this job.
