To: Members of the Vinyl Chloride
Safety Association

Attached is a questionnaire which you are requested to complete and return to me by January 15, 1977. The questionnaire will be used to plan the location and topics for the 1977 meeting(s).

You should expect to receive a letter during January, 1977 that will ask for your opinion on the need for a short meeting to be held during April or May on the subject of EPA compliance.
