RE: Nevada Power Company -v- Monsanto Company, et al.
Deposition of George Roush, Jr., taken on March 17 & 18,
1993.

I, John T. Concannon, do hereby certify that on April 28, 1993 and May 5, 1993, letters were sent to George Roush informing him that his depositions taken on March 17, 1993 and March 18, 1993 were completed and ready for him to read and sign. Said letter is attached to his deposition and numbered page 121 on the deposition taken on March 17, 1993 and page number 229 on the deposition taken on March 18, 1993. As of this date, the witness has not been in contact with this office to make arrangements for reading his deposition.

Therefore, I am returning the unsigned originals of Mr. Roush's depositions to the law firm of Bradley & Merrell for purposes of filing with the Court. If I should receive a signature page from Mr. Roush, I will forward it to Bradley & Merrell for insertion into the transcript.
