Hi Randall –

Thank you for checking in.

We had not considered this event further, as we had not received a response to the speaker request form that I had sent on January 10<sup>th</sup>. If there was a response that did not come through to my inbox, I sincerely apologize.

With that being said, I have re-attached the speaker request form. If you would please complete it with as much information as possible and send it back to me, we will review the request in next week's scheduling meeting.

If you have any questions or concerns in the meantime, please don't hesitate to call or email me any time.

Thank you and have a wonderful weekend!

**Subject:** A follow up

Kelly: I truly am not trying to be a pest, but just circling back with the hope that the NOIA meeting is still on the radar for the Administrator. (Copy of original invitation letter attached.) I believe this would be the first (at least of which I am aware) event featuring an only offshore energy audience for Mr. Pruitt. Thank you for your consideration.

Should you have any questions, please contact Ann (copied above) or me.

Randall Luthi  
President, NOIA
