Dear Bill:

You did miss a good time. San Francisco is a great convention city and I believe the program was one of the better ones we have had in the last few years. Jerry did a fine job and had everything going by the time I got to the meeting room Thursday. The members voted to hold our next meeting in Bermuda. Jim Gabbett is checking on facilities now so we can get as good a deal as possible.

Thanks for the treasurer's report and registration list. I'm in the process of retyping by companies for a mail-out.

The cost of the two mail-outs for the September meeting is as follows:

June 7	28 Foreign	\$ 9.24
	74 USA	<u>11.10</u>
		\$ 20.34
Aug. 7	28 Foreign	\$ 22.78
	74 USA	<u>27.90</u>
		\$ 50.68
Grand Total	=	\$ 78.58

In the future, I plan to mail only to the permanent representatives. This should reduce our mailing cost considerably. We will have to make the effort to provide sufficient lead time for the representatives to make the necessary contacts. If you need additional information, please call.

Sincerely,

H. G. Olson
