Dave,

Yes it does. As we talked yesterday, I have been working on a proposal for conducting this modeling prior to the WVDEP request for information. The proposal that I showed you yesterday is attached.

Rob,

I took the draft proposal you sent and reworked it based on my perception of the objectives and the work that you need from Debbie and I. (I'm hoping that is OK...I marked it with the attorney disclaimer.) I've included an estimate for our time in this proposal. I also took the liberty of including Tim on the distribution so he can comment on the appropriateness of the strategy and phrasing.

Debbie and I have completed the work for Fayetteville that we agreed on. Do you have time tomorrow to discuss (phone is fine)? We are open all day except 10 to 11.

Let me know...thanks,
Cathie
