

For Asserted Branding
for the birth of a baby girl last October, her abdomen was marked with the figures "907" and an extra zero below the middle numeral. Her complaint stated it was her belief the marking was done for identification purposes. She alleged she had not authorized the inscription.

Drops in Sacramento
SACRAMENTO, Oct. 2 (AP)—The incidence of genital disease in Sacramento has dropped 24 per cent from 1931 year's peak. Dr. Albert F. Ripl, city health officer, said today.
The recorded syphilis case last year was 250 for the first nine months of this year. Last year's comprehensive figure was 317. Cases then cases dropped during the same period from 637 to 504.

Let us give you a free estimate of cost for making your slipcovers. Only the finest of materials and workmanship are used. Prices reasonable.
