Thank you all for the work on this.

Tate/Kelly – can one of you provide details to Madison or have her put you in contact with Butamax?

Adding Ben, Erin and Byron.

Thanks Alex. We are working on all of it now.

The letter is already down with Sabrina Hamilton to prepare and send down to the Administrator's Office.

Erin Birgfield, OTAQ's communication director is working on the roll out materials and is coordinating with John Miller in OAR.

I'm coordinating with Butamax now. They need to know the Administrator's location in order to plan their travel for Tuesday.

Thanks,
Madison

Subject: Butamax Registration

Madison -

Apologies for the delay it's been a crazy morning. Following up on our conversation regarding the Butamax registration:

- Although generally done at the program office level, the Administrator would like to sign the registration letter so it can be delivered in person on Tuesday, April 12th. We will need this for his signature by mid-day Monday so he can take the signed hard copy with him Monday night.
- Desk statement, internal Q&A, and draft press release will be needed as well. I'd prioritize the desk statement and press release as those will need the most review. I'm looping in Kelsi Daniels in OPA for her awareness.
- Please inform the company today and that this information is embargoed. Tate Bennett will then reach out to invite and provide them details on travel/logistics. Can you provide the best POC at Butamax for Tate to reach out to?

- Regarding the email you just sent – Kelsi Daniels will be the best POC the day of the event. She is cc'd here and her direct is 202-564-2413. Kelly Kendinger in advance is also a poc.

Any questions (by anyone) or need anything else please give me a call as Mandy is in meeting most of the day.
