Clint,

As promised, I wanted to connect you with Tate Bennett and Millan Hupp. One of them will be reaching out next week to discuss other questions you had regarding advertising for this event. I sent them all of the information that you've shared with me.

Please let me know if I can help with anything else and we look forward to this event!

Thank you so much for accommodating us! We truly appreciate it.

Could you complete the attached request form so we can capture additional information? After you complete this, it's helpful for us to review and then answer your below questions regarding advertising.

The Administrator's bio is attached. However, let's discuss before anything is released.

Thanks!
