Subject: BHRC - Marathon payment

To Oversight Committee:

Craig Parker from Marathon Ashland Petroleum, LLC has requested to be invoiced for their \$200K contribution ASAP, in order to use 2003 funds for the payment. Craig did not request a contract be put in place for this payment.

The topic of MAP's privileges was also discussed, and I told Craig that the OC would inform of privileges (via email).

Here is what MAP is expecting:

- * No voting rights
- * Observer status for meetings (Technical - Craig will follow the science)
- * Access to papers (research progress reports & publications)

I would like to put this item on the agenda for the 12/17 conference call - I'm sure that MAP will want confirmation of privileges in a timely manner.

Regards,
Lorraine
