Dear Mr. Bunda:

Pursuant to our telephone conversation of 25 September 1987, I am submitting herewith a copy of our draft report on the epidemiologic mortality study of employees of the Chrysler Corporation Vinyl Products Division plant in Sandusky, Ohio.

Please review the report for clarity. I also enclose the tabulation of comparative cancer mortality rates for the U.S., Ohio and Erie County which we discussed. This supplementary information is provided so that the results may be viewed in this context.

Sincerely yours,

Sidney Shindell, M.D., LL.B.
