Hi all - there is no end in sight for the Budget markup so we are going to have to cancel dinner this week. Apologies for the inconvenience!

Hi everyone, I hope to know around midafternoon if we will need to pull down dinner due to Budget markup. Please stay tuned, but with that being said, **if your boss plans to come to dinner or might come to dinner and you have not told me, please do so by 2:30PM.** We need to know due to space constraints and in order to make sure there is enough food 🍽️. If you don't reply, we assume your boss is not coming.

Hi everyone,

Senator Scott would like to host dinner with your bosses at his townhouse this **Wednesday, February 12th at 6:15PM.** Please note the slightly earlier start as my boss will have a hard stop at 7:45pm. Also, please note there is a chance that my boss is stuck in a Budget markup on Wednesday and we end up needing to cancel on relatively short notice.

Sorry for the uncertainty, but I know my boss hopes to be able to host and to see everyone Wednesday evening. Please let me know if your boss plans to attend.

Thank you,
Elise
