MEMORANDUM

To: Mr. J.M. Nolan

From: Mr. E.K. Bancroft

Subject: Asbestos label for Borg Warner

---

In a conversation a couple of weeks ago, we indicated we were asking the printer to alter the format of the message to make it less dramatic.

Attached are two labels as revised. Unless someone has further thoughts on the matter we suggest you send these to Borg Warner and request their approval so we can proceed.

You will recall the complete program includes having labels made in Japanese and German for those shipments. We assume Borg Warner is aware of this and their approval to proceed would cover the export shipments.
