Scott, that's great. We have you on the list and look forward to seeing you. Please feel free to text or call my cell when you arrive. There will be a lot of people, but would like to introduce you to some of our CA delegation.

Is there any chance that either of you could help point us to the appropriate person to set up a meeting with Ms. Skipwith? We would very much appreciate the opportunity to meet her in DC next week.

Natalie, I apologize for using your personal email...I'm realizing I don't have your Interior account info.

Thank you,

Mark

Mark,

I just checked my schedule and can only make it to the first 30 minutes of the cocktail party, but I would like to join you for that period. I have a prior commitment that evening.

Thanks,

Scott

Hi Natalie,

It was really nice to connect with you in DC a couple weeks ago. We (CA Sportsmen) are all coming back out next week for the May 2nd Ducks Unlimited dinner. David Bernhart will be joining us. Do you think there is an chance Scott Cameron would like to join us? Any chance you would? Invitation is below my signature block.

Also, I'm wondering if you could help put me in touch with whoever handles Aurelia Skipwith's schedule please? Is that possible?

Also, can I please have your professional contact

information at Interior? Email and phone? Thank you!

Best,

Mark
