RE: L 0859-1262 [REDACTED] v.
Eberhard Faber

Dear Dr. Kehoe:

Mr. William F. X. Geoghan, Jr. has submitted to us the invoice of The Kettering Laboratory in the amount of \$382.00 which, I must say, is a most modest charge for the assistance that you rendered in this law suit.

I fully appreciate that the eventual outcome of this litigation is most unsatisfactory. However, at the conclusion of your testimony the court requested that all parties appear in his private chamber. After discussion privately with plaintiffs' counsel, followed by a private discussion with defendant's counsel, a settlement was suggested and eventually concluded at 7.30 P.M. that evening. However, if it were not for your appearance at this trial I sincerely doubt plaintiffs would have accepted the court's recommendation for a settlement. Your testimony, in my opinion, materially reduced the value of this case in the minds of plaintiffs' counsel. Enclosed is a check in the amount of \$382.00.

It was a sincere pleasure to meet with you and listen to the testimony that you presented.

With kindest regards, we are.

Sincerely yours,

KE 0000162
