

Interoffice Communication

To Joint Memo
From G. R. Watson
Date December 17, 1981
Subject ANNUAL VOLUME RATES
514.3 VCM

Attached is a copy of our report to the W.W.I.B. covering vinyl chloride shipments for the period beginning October 6, 1981 and ending November 29, 1981 to Aberdeen, Mississippi. Please review your records to be certain that we have included all shipments.

Should you determine that this report needs to be corrected, please contact me immediately. Otherwise, we shall assume it is complete.

G. R. Watson, Director
Petrochemical Traffic
Surface Transportation Department
