Re: California Division of Industrial Safety
Letter of February 7, 1967

Gentlemen:

On February 10th, Jack Boyer forwarded to each of the Directors of the Association, a copy of letter received from the California Division of Industrial Safety, which letter was dated February 7, 1967.

After your critical review of this letter, please advise whether you feel a reply or further communication is in order and, if so, what approach do you recommend.

If a reply is in order, it should go out within the next week or two, and your immediate attention will be appreciated.

Best regards,

J. P. Verhalen,
President
