Dear Dr. Kehoe:

Congratulations on your election as President-elect of the AIHA. I think you will find that this office will not require any large amount of time and that other members of the Board of Directors will be glad to help you in connection with this office. About the only real task for the next year will be the preparation of a program for the Annual Meeting of the Association in 1945.

It is unfortunate that the meeting of the Board of Directors of the A.A.I.P. and S. and that of our Association is scheduled for the same evening. This is the only evening which is available for the meeting of our Board of Directors, since May 10 is the first day of our Annual Meeting and the Board of Directors must meet before the Annual Meeting of the membership which is scheduled for May 11. We hope that you will be able to join us for dinner, but if not, perhaps you could arrange to come over for our meeting after dinner.

I am preparing to have some AIHA stationery printed and would like to have approval from you for the following listing of your name:

PRESIDENT-ELECT
Robert A. Kehoe, M.D.
Kettering Laboratory of APPLIED Physiology,
University of Cincinnati College of Medicine,
EDEN Ave., Cincinnati, Ohio.

Very truly yours,

E. C. Barnes
E. C. Barnes,
Secretary.
