SUBJ: OT Ranking of Manpower Management Measures

VISTA

Based on the minutes of the 8/8 meeting (page attached) the majority of our work on manpower measurements is done, in terms of brainstorming and selecting in. Below are the keepers to be ranked in order of priority for OT monitoring.

I believe we decided the ranking would be done and brought to the next meeting.

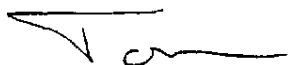

INTERNAL MOVES

RANKING

1. Total opportunities.
2. Retention or % turnover per specified groupings.

OUTPUT

3. Input (some productivity measurement).
4. Percent of key jobs with no "ready now" backup.
