Subject: You can stop the Left in its tracks

Kenneth,

Tax Day is almost upon us.

And this year, as we're just beginning to see the benefits of a conservative tax plan, the Left is mobilizing to reverse President Trump's landmark tax cuts!

Even though the Heritage-backed tax cuts have already given a boost to the American economy, Leftist leaders are determined to undo the reforms as soon as they can and bring back higher taxes for everyone. **To make sure that the Left doesn't take your hard-earned paycheck, you have to act now.**

By giving to the Heritage Foundation, you'll make a powerful statement about your conservative principles, and you'll fund the research, analysis, and persuasion that will advance the next steps in tax reform: further cuts in regulations, lower taxes, and greater freedom for the families and businesses in your community. And you'll support making tax cuts permanent for everyone.

I hope you'll **be a part of the Tax Day Freedom Campaign** before the deadline on Tuesday, April 17.

Thank you for your support of conservative values.

All the best,

Kay Coles James
President
