Mr. Doug Rockwell  
CIE-PD  
Freightliner Corporation  
P. O. Box 4747  
Portland, Oregon 97208

Mr. Rockwell:

I am enclosing a copy of the Form OSHA-20 for Material Safety Data Sheet which you requested for Consolidated Freightways.

We are in the process of getting these sheets from our various facing suppliers and I will send you a copy of same covering the asbestos material we used to use and current non-asbestos material that is being supplied in production. You can expect to hear from me within the month.

Sincerely,

  
Tom Dickson  
Division Chief Engineer
