DATE: November 5, 1991
RE: Old Spill Policy Draft

Attached is a redraft of the "old spill" materials that we intend to file on Friday, November 8. This version incorporates comments we have received thus far. I have marked these changes with an "x" in the margin. Please provide us with any necessary changes or inform us of any remaining issues to be resolved by noon (e.s.t.) on Thursday, November 7.
