Subject: FLUOROPOLYMERS & THE PFAS REACH RESTRICTION: Views from the Fluoropolymer
Value Chain (7 December webinar)

FLUOROPOLYMERS & THE PFAS REACH RESTRICTION: Views from the Fluoropolymer Value Chain

Dear Sir, Madam,

On 7 December, the [Fluoropolymer Product Group](#) (FPG) of Plastics Europe will host its next webinar focused on the PFAS REACH restriction. FPG represents Europe's leading fluoropolymer producers and experts, and together with representatives from the value-chain we invite you to attend our **online webinar on 7 December from 15h30 to 17h00 Central European Time.**

The webinar aims to increase awareness and provide insight to the PFAS REACH restriction and the work that FPG does as well as to provide a platform for representatives from the fluoropolymer value-chain to share their views on the proposed restriction, how it might impact their sector and reflect on actions they have been taking to advocate their views.

We are delighted to inform you that our speakers are:

- **Nicolas Robin**, [FPG](#)
- **Dr. Franz-Manfred Schüngel**, [Merck Group](#), representing the [European Federation of Pharmaceutical Industries](#) (EFPIA)
- **Marton Antal**, [Hydrogen Europe](#)
- **Cindy Vandecasteele**, [ACEA](#)
- **Tanja Gal**, [METAX](#), representing the [European Small Business Alliance for Fluoropolymers](#) (ESBAF)
- **Alexander Van Hulle**, [BASE](#)

You can register to participate by completing the online form in the below link.

[REGISTER HERE](#)

If the link does not work (this can be the case if the invite was forwarded to you) please click here: [Webinar Registration – Zoom](#)

Please note that the maximum number of people who can join the webinar is limited to 1000 participants. Access to the webinar at the time of the event is on a first-come first-served basis. We apologise if this causes any inconvenience for you. However, the webinar will also be recorded and shared after the session.

More information is available on the registration page.

Should you have any further questions please do not hesitate to [contact us](#).

If you know of others who may be interested in participating to this webinar, please share.

Thank you!
