DATE October 13, 1975 SUBJECT

Please use a separate sheet for each subject treated

Jim:

Since we are following through on our asbestos monitoring procedure at the two Bondex plants to be followed by the same at the two RPM plants, I'm wondering if you wanted to proceed any further on Myrle's comments regarding the insurance company for such testing procedures.

I'll discuss this matter further with him next month and particularly as to whether or not he wants to utilize our equipment at his plants as well to set up a similar scheduled system.

. . . . Julius
