Mr. Warren P. Holden,
San Francisco, Cal.

My dear Warren:-

Referring to your letter of July 24th beg to state the Cleveland-Akron Sign Co. inform us the sample sign we sent them is one that they furnish you some time ago. They have the plates on hand and quote 500, duplicating muslin, printing, colors, etc. in every way, at \$99.80 for the lot, 1% 10 days. I have also taken up this matter with other printers.

I enclose two of the Standard Varnish Works Stoving Cycle Enamel cards which should have been sent with my last letter.

Very truly yours,
