Administrator Scott Pruitt Statement on President Trump's Tax Reform Proposal

WASHINGTON (August 30, 2017) -- U.S. Environmental Protection Agency (EPA) Administrator Scott Pruitt today released the following statement on President Trump's tax reform proposal:

"President Trump is leading the fight for tax reform that will benefit all Americans. At EPA, we have worked to promote regulatory certainty that will help create jobs and produce a cleaner environment. This goes hand in hand with the President's plan to create a tax system that will provide clarity and restore fairness for a more prosperous America."
