

WILSON WELD-O-GLASS Asbestos Replacement Fabric

WSC WELD-O-GLASS An asbestos substitute made from 100% fiber glass yarn that meets OSHA and NIOSHA requirements and yet handles all your HOT PROBLEMS. WSC Weld-O-Glass has a maximum temperature rating of 1200° F and meets MIL-C-20079E and U.S. Coast Guard Spec for "Incombustible Material" 46 CFR 164.009.

Some of the many uses of WSC Weld-O-Glass are: welding curtains, stress relief welding blankets, welding pads, insulation blankets, lagging, etc. No. 1850, 18½ oz., No. 2650, 26½ oz.

WSC WELD-O-GLASS #3000-R A silicone coated, leached glass cloth, with strength of 1000 lbs. per sq. in. Designed to provide protection in areas where carbon arc, plasma arc, flame cutting, or grinding take place, or in other areas where molten metal, sparks, or heat create a hazardous condition. 3000-R sheds metal at 3000° F, repels acids, water, steam, and oil, exceeds OSHA specifications and is Navy and Coast Guard approved. 3000-R, 26 oz., coated two sides. 3001-R, 26 oz., coated one side.

WSC WELD-O-GLASS HIGH PERFORMANCE Excellent for thermal and electrical insulation and has excellent chemical resistance. Protects your expensive machinery from molten metal and sparks resulting from overhead welding, foundry sparks, etc. High Performance withstands 3000° F molten metal on a horizontal plane and at the same time is extremely flexible, allowing for proper draping and protection of machinery. Weld-O-Glass High Performance meets the requirements of MIL-1-24244 specifications. No. 2-1900, 19 oz., No. 2-3700, 37 oz.

All WSC Weld-O-Glass is available as a fabricated hanging curtain with heavy duty steel grommets, or can be fabricated to complement Wilson "Easy Rolling" Partitions or Wilson Adjustable Portable Screens.

In addition, WSC Weld-O-Glass is available in roll stock, yardage, stock size blankets and, of course, we will be happy to quote special sizes made to your specifications. Ask about WSC 3001-R Welding Clothing.

Call us or write. We'll tell you the name of your nearest authorized welding distributor.
