Mr. E. K. Gilkey,
14 West Hudson Ave.,
Dayton, Ohio.

Dear Mr. Gilkey:

I received your letter of October 17 about the possibility of medical practise in Hollansburg, Ohio. I can assure you that I remember you, and I am very glad that you wrote to me about the matter.

I do not know of anyone at the moment who is likely to be interested, but I will put your letter in the hands of the Dean's office here where it is much more likely that some use can be made of it than if I keep it. However, I will bear the matter in mind myself and if I can do anything about it I will be glad to.

Sincerely yours,

RAK:EJ
