Thanks! Meeting time slot is 30 minutes and I am not sure yet about who the additional staff will be in the meeting. Can I loop back to you on that as the day draws closer?

Thanks!

Thanks again for sending this Cheryl! I wanted to make sure the original form I re-sent last week is good to go. And I also wanted to see if you can share details on how long we will have to meet, and any other EPA staff who will be there. Please let us know anything else you need from our end and thank you for your help in coordinating this!

Zach

My name is Cheryl Woodward, your of Point of Contact for logistics for your meeting at EPA. Below are the instructions/directions to EPA and if you have any logistic question, I will be glad to assist you. Sydney will answer your questions regarding the meeting.

Directions: If you come by Metro, the Federal Triangle metro stop is directly below the building entrances. You would leave the metro station and go up all three sets of escalators and then do a small U-Turn to the right heading toward 12th street, the North Lobby entrance is directly and immediately to your left (Glass Doors -EPA Signified on Glass).

If you are coming by taxi/vehicle, you want to be dropped off on 12th NW, between Constitution Ave and Pennsylvania Ave. It is almost exactly half way between the two avenues on 12th street and the Federal Triangle Metro sign can be used as a landmark. From 12th Street, facing the building with the EPA and American flags, walk toward the building (under the flags) and take the glass door on your left hand side with the escalators going down to the metro on your left. This again will be the South Lobby of the William Jefferson Clinton building.

Once inside the building, security will prompt you to scan all items such as bags, coats etc., and then let the guards know that you were instructed to call Cheryl Woodward at 564-1274 or Michelle Hale at 564-1430 to escort you to the meeting with the Administrator. Security will make temporary cards for everyone. Allow for 15 minutes to get through the process.

Sorry Sydney, that won't work for us. Do you have May dates between the 20th and the 28th? If you can offer a few different days and times that helps with trying to get a critical mass. Thanks for your patience!

Hi Zach,

I can be pretty flexible through most of the day May 4th. Does that help?

Those unfortunately won't work, can we try some more May dates? Thanks!

Maybe both if possible to be safe? The more slots you can offer the higher the likelihood we can find one that works and quickly lock it down. Thank you!

Our leadership would need time to travel and they have busy clinical schedules, so some time for arrangements would be very helpful. Thank you!
