

With three generations  of painters, Dutch Boy*  White Lead has been tops  as an all-'round paint. Use it for outside wood  for brick  for stucco and concrete; for asbestos-cement shingles ; for inside walls and woodwork; for enamel undercoats; for finish coats on metal. Depend on Dutch Boy* White Lead  to make you  and your work look good!

"Save the Surface
and You Save All"

*Reg. U. S. Pat. Off.
