Brian,

Good to hear from you. We'd be happy to do a call like this. Admittedly schedules are pretty crazy but we can definitely find a time in the next few weeks. I am copying in Tate Bennett in our Congressional and Intergovernmental Affairs office and Brittany Bolen, Deputy Associate Administrator for Policy - we'd be happy to speak on a call.

Samantha

Samantha - Good morning. We were discussing yesterday the opportunity for our state energy policy advisors to have a telephone conference with you or someone from your shop to hear an overview of the top line actions the EPA is taking (or any other matters you deem relevant). Would you be open to thinking about something over the next couple of weeks? Perhaps 30 minutes? Thanks - Brian
