Leroy U. Gardner, M.D., Director
Sarumac Laboratory for the Study of Tuberculosis
of the Edward L. Trudeau Foundation
7 Church Street
Sarumac Lake, New York

Dear Roy:

I had thought that the Bradley Dewey as-
bestosis matter was ended, but last week I received
the letter from him of which a copy is enclosed.
While it contains nothing startling, it is perhaps
worthwhile to pass it along to you. I am also send-
ing a copy to Tony Lunza.

Sincerely yours,

Margaret Howditch
Director
