...PINK HOGS

...Tunney's curtain I remember

...Out onto the big porch. A dainty  
...Breakfast set. Spotted blue and  
...white oilcloth on the table. Bottle  
...of catsup, huge jar of mustard.  
...WHAT HE EATS  
...Eats about what he wants," an-

...juice when he gets up. Real break-  
...fast of melon, bacon and eggs, toast,  
...fried, sandwich at noon. Broiled or  
...grilled dinner. We have to laugh  
...and talk light at noon. Never a  
...word of the fight. And he never  
...looks at a paper and never opens his  
...mail or sees it, unless we show him  
...something really good."  
...A whitewashed chicken coop back  
...of the punching ring sags with its  
...freight of small boys. A ladder  
...propped in a butternut tree is black  
...with human insects.  
...Mothers nurse their babies. Flap-  
...pers squeeze their beaus' hands. Un-  
...shaven men mumble on black  
...cigars. Frankfurter incense wraps  
...the morning thousands in a cloud.  
...THEN THE HERO!  
...A thunder cloud of hand clapping.  
...The hero, wrapped in a dingy bath  
...robe, has come from the kitchen  
...door.  
...I had seen him a year ago as he  
...sat very much the gentleman in an  
...exclusive hotel, white and almost  
...pallid, sleek and debonair. I hardly  
...knew this bronzed man of muscle,  
...his lip damaged, his hairy legs pro-  
...truding from black tights.  
...Hardly a look for the cheering  
...crowd. Punch, punch, whack at the  
...punching bag!  
...The squeak of the resined canvas!  
...Two primitive men puffing like un-  
...coupled sea porpoises. Streams of  
...greasy perspiration welling from  
...narrow backs.  
...Gene's bruised lip is bleeding.  
..."Time," bellows Lou.  
...He daubs the fighter's face with  
...yellow vaseline.  
..."Time!"—and at it again, sweat-  
...ing, choking, puffing, snorting,  
...waddling, lunging, pushing, biffing!  
...A CASUALTY  
...A girl in the tight-wedged mass  
...of humanity below the ring.  
..."Water!" somebody yells. "Water,  
...for God's sake, water!"  
...A girl lies outstretched on the  
...grass, her white sports dress soaked  
...in grease from the trampled ground.  
...I had seen the girl's eyes grow  
...wide with terror as a sparring part-  
...ner, Japhet Tunney in the tummy-  
...lunch.  
..."I feel sick to my stomach," she  
...said. Then she keeled over.  
...Nobody cared much.  
..."For she stiffened out a purpose  
...to drink out of Gene's bottle," some-  
...body sympathetically opined.
