+Our DC Director, Jim.

Maddy, I understand the Administrator is on the road but we would like to get this call scheduled as soon as possible. Would any of these times work for the Administrator to provide feedback on the Governor's letter and consult with the Governor on the path forward?

Today:
4:00-4:45
5:15-6:00

Tomorrow:
9:00-9:15
1:00-3:30

After 4:40

If none of these work, please let us know what works for the Administrator and we will try our best to make it work!

Thanks so much.

I just wanted to reiterate that request and be sure we were working toward it. I believe the two have a relationship dating back to their days as Attorneys General together.
