Dear all,

Please find below some important information regarding the OECD Global Forum on PFAS.

ACCESS TO VENUE

The forum will be held at the **OECD Auditorium (46, quai Alphonse Le Gallo, 92100 Boulogne-Billancourt)**. For detailed directions, please refer to [Access - Organisation for Economic Co-operation and Development](#)

The forum will start at 09:30 each day. We strongly suggest arriving 30 minutes early to allow sufficient time for security clearance and badge collection at the main reception. **Ensure you bring your passport or a valid photo ID**, as you will be asked to present it at reception.

MEALS

Please note that there is currently no restaurant or café available at the OECD conference centre. For this reason, the OECD will provide participants with coffee during morning and afternoon breaks on Day 1, and morning break on Day 2, along with lunch on both days.

A cocktail reception is scheduled for 12 February at 18:00 at the OECD conference centre.

To minimise food waste, it is imperative that those who have decided not to attend in person inform us by **31 January**.

Vegetarian and non-vegetarian lunch options will be available. For any special dietary requirements, please contact by **31 January**.

For more information about the event, please visit [OECD Global Forum on the Environment dedicated to Per- and Polyfluoroalkyl Substances - OECD](#)

All the best,
