

(Drislane - Purcell)

1 A Yes.

2 Q When was that first something that it consumed a
3 good portion of your job?

4 MR. FRIESTEDT: Objection to form.

5 A Probably when OSHA came up with their first set of
6 the revisions to the proposed asbestos standards around 1974,
7 '75.

8 Q Exhibit R indicates that the Asbestos Study
9 Committee was formed in September of 1971. Was there a
10 period of several years before the Asbestos Study Committee
11 work became a substantial portion of your work?

12 MR. FRIESTEDT: Objection to form.

13 A It gradually built up.

14 Q Nevertheless, did you attend all of the Asbestos
15 Study Committee meetings?

16 MR. FRIESTEDT: Objection to form.

17 A Yes.

18 MR. PURCELL: I would like to mark as next in
19 order T, Exhibit T a set of minutes of the FMSI from the
20 Asbestos Study Committee, September 15, 1971.

21 (Exhibit T, 9/15/71 Asbestos Study Committee
22 Meeting Minutes, marked for identification.)
