Jim,

Thank you very much for offering to coordinate this meeting. I have attached a letter requesting a meeting with Secretary Zinke for the board of directors for the Solar Energy Industries Association (SEIA). The list of SEIA board members mentioned in the letter is also attached.

Charlie and I spoke with Steve and Sue this morning, and they provided some helpful insights. Please let me know if there are additional changes to the letter you would suggest before sending it on to the Secretary's office, or if you have any questions.

Thank you very much.

*Best,
Katie*
