Attention: Mr. Harry Kaley

Dear Mr. Kaley:

With reference to your letter of January 21st enclosing a clipping from the Charlotte News of January 18th, it is my general policy to ignore matters of this type until they are brought to our attention through the Oil Company involved. I have no record in my file of any correspondence concerning the man referred to in the clipping, and I should recommend allowing the matter to rest until some further information is received.

Very truly yours,

RAK:is
