New and Improved Packings, Gaskets and Seals

— from our expanded research program

Garlock Packings and Gaskets made of Teflon

Garlock Mechanical Seals for Rotary Shafts

Garlock KLOZURE® Oil Seal

Research has brought advanced design, better materials and new uses for thousands of products in American industry.

Here in the completely equipped Garlock research laboratories we have developed new products and have improved our regular line of packings, gaskets and seals with new materials and better designs.

These new and improved Garlock products will give you superior performance and long, economical service—will help you keep down operating costs.

Write for folders!
