REPLACEMENT PRODUCTS FOR
EASTMAN'S K-135

GW/AWMC, 8/14/67

E. C. Wilde
EWILD

J. R. Darby, Res. 2
N. W. Touchette, Res. 3
K. A. Wells, KWELL

Gene, no one in my group is available before Chuck returns, but Norm Touchette will be able to help us out. I believe we can use the adhesives Chuck has already made up, in measuring the effect of plasticizer composition on minimum film-forming temperature.
