Dear Wayne:

This letter will confirm the A/C Pipe Producers Association's acceptance of your invitation to address the Coastal Bend Water Utilities Association at approximately 7:30 p.m., Wednesday, October 17, 1984 at McAllen Pipe and Supply, 7425 Leopard Street, Corpus Christi, Texas. As requested, an Association representative will speak for approximately 30 minutes on (a) safety precautions during the installation of A/C pipe and (b) current scientific/medical studies on asbestos in drinking water and the safety of A/C pipe. Time also will be allotted for a question and answer session. It is understood that the projected attendance will be 100 persons.

We will need a 35 mm slide projector with remote operating switch, projection screen and a standing podium. If you have any questions, please do not hesitate to call.

Very truly yours,

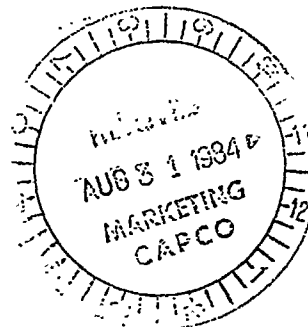

A/C PIPE PRODUCERS ASSOCIATION
