Dear Sir:

We are in receipt of your letter of September 26, 1996, wherein you request that your Membership in the Friction Materials Standards Institute Inc. be canceled.

In light of the cancellation we request that, effective immediately Brunner Inc. no longer use the FMS® and FMSI® registered trademarks and no longer use the FMSI part numbers contained in the FMSI Automotive Data Books which are copyrighted in the United States and Canada.

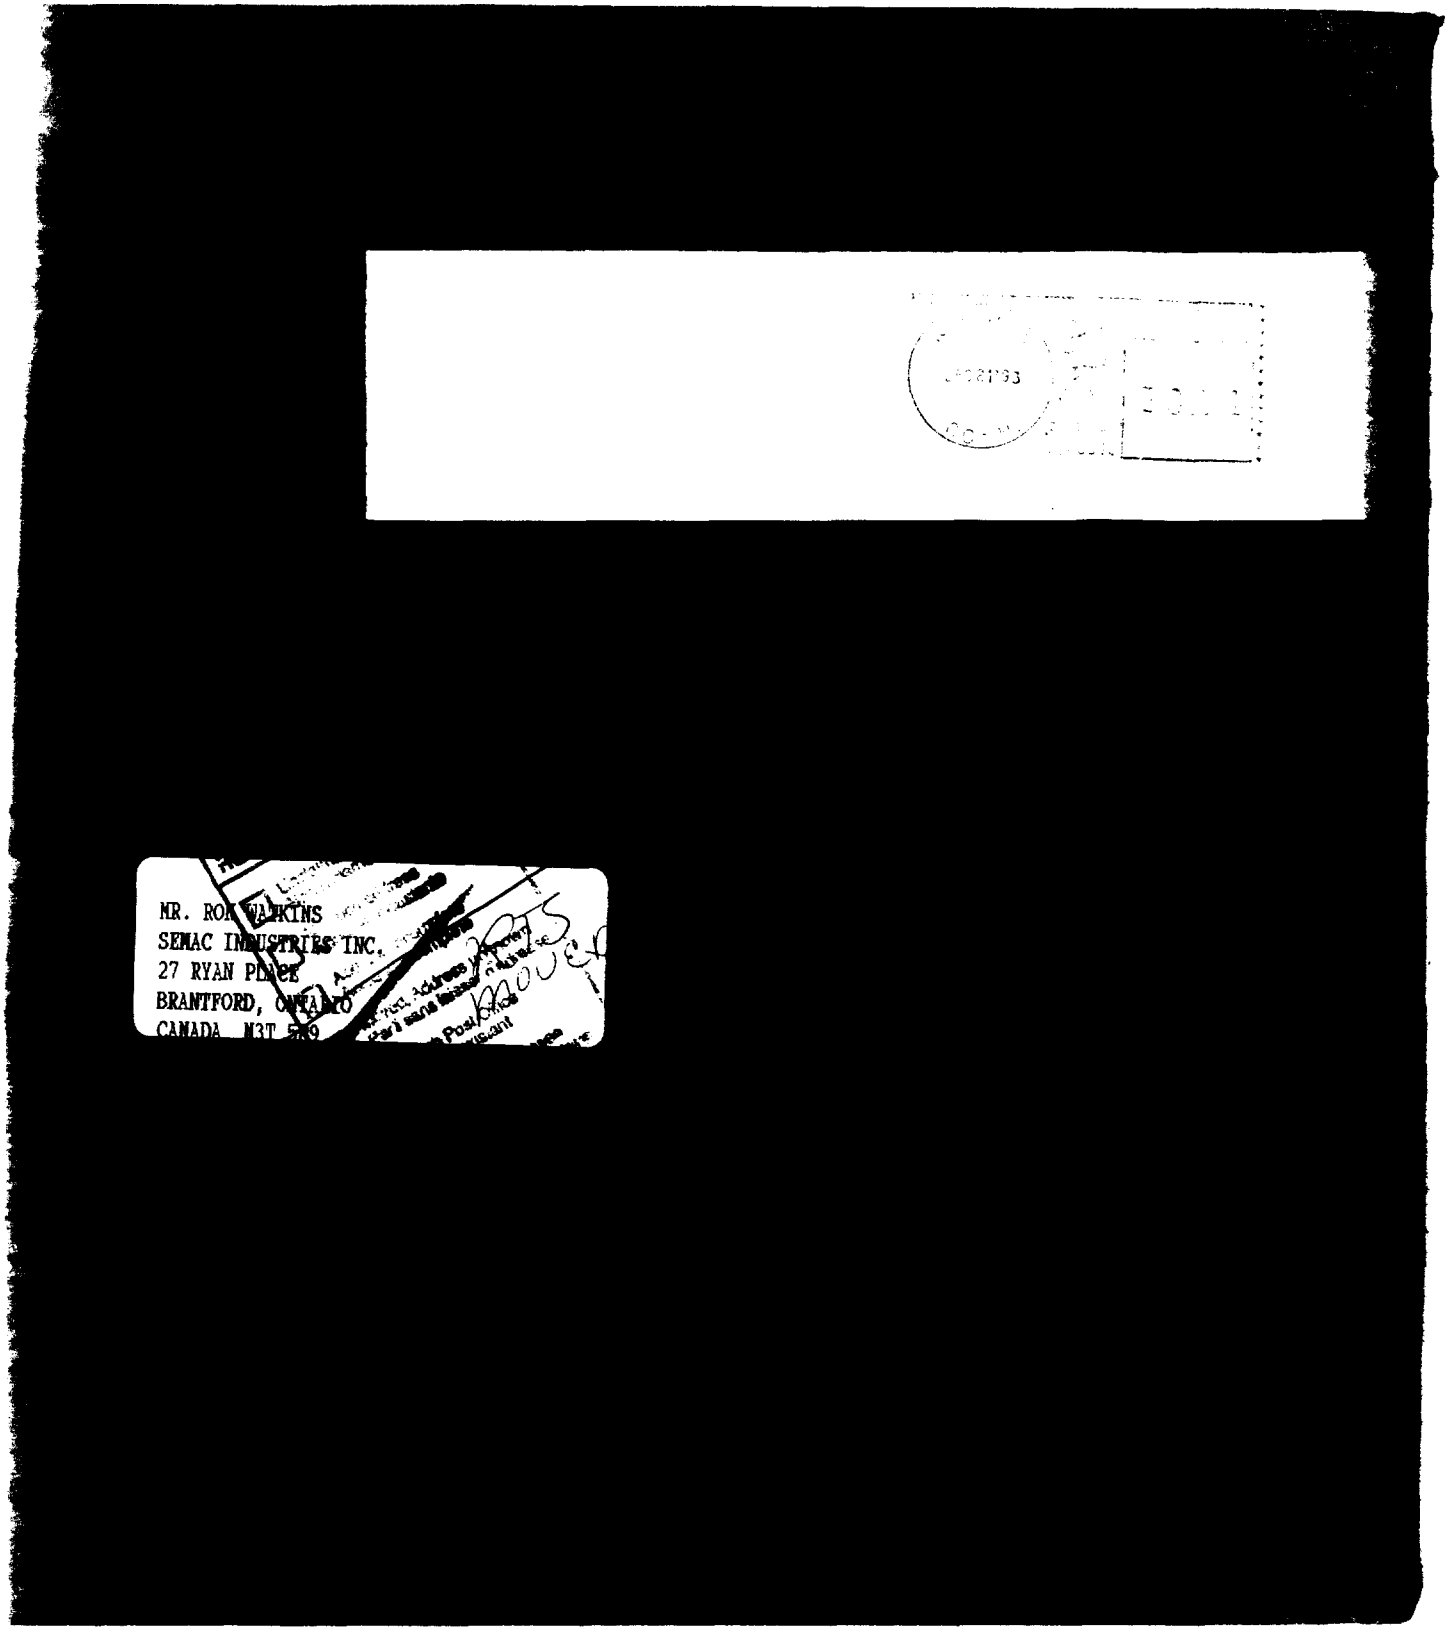

If at some future time you wish to reapply for Membership we will be happy to send you application materials.

Sincerely,

FRICTION MATERIALS STANDARDS INSTITUTE

APPLICATION FOR MEMBERSHIP

TO THE BOARD OF DIRECTORS OF
FRICTION MATERIALS STANDARDS INSTITUTE, INC.

Gentlemen:

The undersigned, a manufacturer of brake shoes, hereby applies for membership in the FRICTION MATERIALS STANDARDS INSTITUTE, INC., as a Licensee and certifies to the following:

1. Name of applicant: SEMAC INDUSTRIES LIMITED

2. Date and place of incorporation: January 1, 1983 - Brantford, Ontario, Canada

3. Principal office: 27 Ryan Place, Brantford, Ontario, Canada N3T 5P9

4. Length of time manufacturing brake shoes: 5 YEARS

5. Do you manufacture brake shoes from the basic materials? YES

6. Approximate annual brake shoe manufacturing capacity of plant: 1,100,000 per year

7. State approximate number of square feet devoted to brake shoe manufacturing:
   25,000 square feet

8. State approximate number of unlined shoes manufactured and sold as unlined brake shoes: 1,100,000

9. How many different brake shoe set numbers do you manufacture other than shoes which you recondition or remanufacture? None

10. Is the distribution of your product national, international or local or in how many states? Throughout Canada and the United States

11. Do you list the brake shoes you manufacture in catalogs or in some other form? If so, please attach a copy of same: Yes

12. Please furnish two credit references: See Attached

13. Is plant owned by applicant or leased: Leased

The undersigned hereby acknowledges receipt of a copy of the Constitution and By-Laws of the Institute and agrees that, if elected to membership, it will accept and be bound by the said Constitution and By-Laws, together with any amendments that may, from time to time, be made thereto.

P. O. Box 668
Brantford, Ontario N3T 5P9
Canada

Attn.: Sales Department

Gentlemen:

I was recently forwarded some sales literature for brake shoes that Semac Industries manufactures and sells in the automotive aftermarket. I've attached a few pages from the literature showing FMSI numbers such as 4515, 4515E, 4311J.

These, of course, are FMSI Numbers. Since the Institute started its numbering system, all catalogs and bulletins in which these numbers were assigned were copyrighted. Our copyrights are registered in the United States and Canada, and with reciprocity are recognized throughout most of the free world.

In addition, FMS and FMSI are registered trademarks of the Friction Materials Standards Institute. Use of the Institute's copyrights and trademarks is granted in writing by the Institute. This permission is ordinarily granted to Members of the Institute, and to Members' customers when using materials (linings/shoes,etc.) purchased from Members.

As a brake shoe manufacturer, Semac Industries would be eligible for Licensee type Membership in the Institute. Licensee Membership is a more restrictive type than Active Membership (U.S.) and Regional Membership (non U.S.) which is for those manufacturing brake linings and/or clutch facings. Also, Licensee dues are less, currently US$600 per year.

I am enclosing some literature on Licensee Membership:

1 copy - Constitution and By-Laws
1 copy - EXHIBIT C - Services to Licensees
2 copies - Application for Licensee Membership
1 copy - List of Membership

We believe that Licensee Membership would be of value if for no other reason than permission to use the copyrighted FMSI Numbers and numbering systems. If you wish to apply, please have one application copy completed and sent to

the Institute with a check for $600. This $600 would be applied to the first year's dues. If, for some reason, the application were not accepted, the $600 would be refunded. Our fiscal year runs from July 1 to June 30.

If you will not be applying for Licensee Membership, we ask you to discontinue use of the FMSI Numbers in your price lists and other sales literature. If there are any questions, please give me a call.

Sincerely,

FRICTION MATERIALS STANDARDS INSTITUTE

Note: Will not fit Ford trucks with high mount spring locations.

SEMAC INDUSTRIES LIMITED

27 RYAN PLACE BRANTFORD, ONTARIO P.O. BOX 668 N3T 5P9
Telephone: 1-519-756-0051

Jan 27/86

As you probably are aware, Semac is now part of I.P.I. Inc., a major automotive brake product manufacturer. With this change, our complete marketing program is being revised and expanded.

In 1986 our production schedule calls for a manufacturing target of 1 million shoes. This will dramatically reduce our unit costs and as a consequence, we are able to offer tremendous incentives to gain new business.

We have completely revamped our tooling to produce an entirely new web, this allows us to apply the flattest and most accurate table in the industry. It is so good that we even guarantee lining fit (we buy back the shoe and the broken lining). Weld integrity has also been increased to withstand 8,000 lbs shear at each weld.

This year we will add a line of 12¼" shoes and we will also offer custom shoe identification to major customers. A hardened shoe will also be offered.

Anyway, back to pricing, delivery is included at these numbers.

	Min shpt. 500	1,000	2,000	3,700	PACK
4514	6.80	6.60	6.10	5.90 ea	20's
4515	6.80	6.60	6.10	5.90	100's
4311	9.55	9.35	8.85	8.65	20's,50's,100's
4551	9.55	9.35	8.85	8.65	"
4625	11.80	11.60	11.10	10.90	20's

Mixed shipments OK. These prices are good for a year unless we get a major increase in steel prices.

Call us for details, better still, call with an order. (collect)

Thanks.

Gord Young

Dear Mr. Lalonde:

This is to advise that the Institute's Board of Directors completed balloting at its recent meeting, and accepted the application of Semac Industries for Licensee Membership in the Institute.

We will put your name on our mailing list for Institute notices and technical bulletins. If you would like to have someone else on the mailing list please advise.

Your Membership will be effective July 1, 1988. With the prepayment that accompanied the application, your Membership is paid through June 30, 1989.

Sincerely,

FRICTION MATERIALS STANDARDS INSTITUTE
