6th December, 1963.

The General Manager,
C.S.R. Building Materials Division,
SYDNEY.

Dear Sir,

DUST HAZARD - Your P.226: We submit a copy of the recent dust and ventilation survey conducted in the mine, together with the dust readings taken in the plant.

The Mines Department Ventilation Officer is currently visiting Wittenoom, and we will submit his report when it comes to hand.

Yours faithfully,
For AUSTRALIAN BLUE ASBESTOS PTY. LTD.

General Superintendent.
