Do you have a draft you can share with me?

Subject: Reg Reform TF

Hey hey,

I hope you're doing well! Wanted to reach out and get any info I could about the Reg Reform Task Force. Any idea on timing and/or process? When industry will be involved? We're currently working on a list of regs for repeal/replace/revise. Anything we should work to include in that to make your job easier?

Thanks,

Hilary
