Hi Bill- I will let Steve and Chris know—I know Steve was already looking at days that might work for your trip to North Carolina. I will also copy Josh Lewis on this note as he has been looking at the schedule next week in anticipation of your arrival. We're looking forward to seeing you!

Mandy and Sarah - I am looking forward to joining you next week. I would like to make day trips to RTP and Ann Arbor as soon as I can. I'm sure my schedule will be chaotic, but I'd like to do it next week, if possible. Will you please let Steve and Chris know. They should not put a lot of work into planning. More than anything, I just want to meet folks and renew old acquaintances.

Also, I would like to schedule similar meetings in DC with OAP and ORIA. That should be easier to pull off.

Thanks.
