Walter,

Kate and I have reviewed BOEM's submission in connection with Sec. 5 c of SO 3349. This is excellent. BOEM's format was so good we are asking the other ASLM bureaus to adopt it.

The attached has a few questions/comments and requests for additional information. May I ask you to send us your revisions by 5:30 PM today. Thanks.

Rich

The edited version has been signed and is on its way to you. (I made a couple of other minor adjustments based on Jim's memo that we received today). An electronic version with the revisions is attached.
