Subject: QFR Reference Sheet/Talking Points
Attachments: 2017.10.05 - Proposed Responses to Anticipated Questions for the Record.....docx

Hi All,

In an effort to assist in the heavy lift of the QFR process we have developed the attached reference sheet with talking points and suggested answers to expected questions.

Many of the questions you will receive will be different variations of the same question and basically the same topic. Also, we hope above sheet will make it easier to stick to a very standard response.

Please let us know if you need anything further.

Have a great evening,

Christian R. Palich
