**Governor Rick Scott and First Lady Ann Scott Announce Hispanic  
Heritage Month Contest Winners**

**TALLAHASSEE, Fla.** – Today, Governor Scott and First Lady Ann Scott announced the 2017 Hispanic Heritage Month student and teacher contest winners. This year’s theme was *“A Recognition of the Role of Hispanic-Americans in Shaping Florida Today,”* and the winners were honored during the annual Hispanic Heritage Month reception at the Florida Governor’s Mansion.

Governor Scott said, “Ann and I are proud to recognize these great students and teachers who participated in the Hispanic Heritage Month contests. Our state’s history has, and continues to be, shaped by Hispanic Floridians and I’m glad so many students took the opportunity to explore Florida’s history while having the opportunity to earn a college scholarship.”

First Lady Ann Scott said, “I’m so proud of the students and educators who participated in this year’s contests and Floridians across the state who joined us in celebrating Hispanic Heritage Month. Congratulations to these outstanding contest winners, especially the deserving students who earned a college scholarship.”

Commissioner of Education Pam Stewart said, "Hispanic Heritage Month is a time for Florida students to learn about the many Hispanic-Americans whose hard work and innovation make Florida the best state in the nation. I am proud to recognize the Excellence in Education Award recipients for ensuring Hispanic students and their families have the information and resources necessary to succeed and for sharing their passion for Hispanic heritage in their schools and communities. I also commend the three students who earned 4-year Florida College Plan scholarships through the Hispanic Heritage Month essay contest; this is a life-changing opportunity to accomplish their education goals, and I am confident they will make the most of it."

Volunteer Florida Chief Executive Officer Vivian Myrtetus said, "Volunteer Florida is honored to join Governor Rick Scott and First Lady Ann Scott to present awards to these outstanding students and educators. We are incredibly grateful for the many partners who made the recognition event possible – particularly the Florida Prepaid College Foundation, which provided three, 4-year Florida College Plan scholarships.
