Hi Dave,
Michelle Brown of my staff will try to find a meeting time for us.

It was good to see you this week after Tracy Mehan introduced us by email a couple of years ago.

Thanks,
Scott

Hello Scott,

Thank you for taking time to come over to the Capitol Visitor's Center on Wednesday to address the many stakeholders from the Great Lakes region. I had a chance to meet you briefly on your way out. I know everyone appreciated the perspectives you were able to bring from the new Administration. With it being as early as it is, I know that is not easy.

We are an organization of 127 U.S. and Canadian cities represented by their mayors who work together to protect, restore, and sustain the Great Lakes and St. Lawrence. We focus on economic, social, and environmental issues. You can click on our website listed below for a little more information if you wish.

I will be accompanied by three of our mayors, one each from the U.S., Ontario, and Quebec during Great Lakes week March 14-16, 2017 and would deeply appreciate it if we could have an opportunity to meet for 30 minutes with you to tell you a little more about our organization and our priorities, learn a little more about yours, and identify our areas of common interest. Sometime in the later afternoon of March 14, most of the day of March 15, and mid day March 16 would be best for us.

Thank you for considering this request and I look forward to working with you in the coming year.

Dave
